

Bio of Director Candidate for District 10, Centerville-South Snellville  
(Furnished by candidate)

Stan Pitts currently serves as President of HydroExcavators, LLC and HydroExcavators II, LLC. With over 38 years of experience in the utility and energy sector, Stan is a proven leader focused on operations, financial performance, and strong customer relationships. Most recently, Stan served as Vice President, Transmission for Southeast Connections, a leading natural gas pipeline contractor. There, he managed responsibilities including business development, customer experience, and the P&L reporting of the Transmission Division. Before joining Southeast Connections in 2018, Stan held various roles at major utility companies and natural gas pipeline contractors. He attended Mercer University and Southern Polytechnic University.
