2027 WASHINGTON youth tour

Walton EMC
Customer-Owned Electric Power

If you're a high school sophomore or junior living in or attending school in Walton EMC's (Electric Membership Corporation) service area, you could be one of four students who win an all-expense paid trip to Washington D.C. as a participant in the Washington Youth Tour!

This leadership development opportunity provides a peek at how our state and national governments work and what it takes to be a better leader. The trip includes one-on-one meetings with congressional delegates, visits to the White House and national monuments and enjoying social activities with other tour delegates from across the nation.
